Distributor's notes

About the Winery:

Castello di Poppiano is located in the area of "Chianti Colli Fiorentini" ("Chianti Hills of Florence"). While Chianti Colli Fiorentini "Il Cortile" and "Riserva" DOCG, together with Vinsanto, remain our most traditional wines, innovative works are ongoing and new IGT (Geographic Typical Indication) wines are being produced.

About the Wine:

This delightful wine opens with notes of blue flower and ripe red berries that carry over to the palate. It makes a warm, soft accompaniment to everyday fare such as hearty pastas or dense Tuscan soups.
