## Distributor's notes

About the Winey:
Château Brande Bergère is located North of Saint-Emilion on a hill with gravelly soil on clayish subsoil. It is one of the highest points in Gironde, overlooking the Dronne valley for over 25 miles. The vineyard of Brande Bergère has been cultivated since the 18th century, and in the 19th century, it was given the AOC “Nord Saint Emilion”.

About the Wine:
The wine is comprised of 40% merlot, 35% cabernet franc, and 25% cabernet sauvignon from a 16 acre vineyard. According to old Bordeaux tradition, the wine undergoes a long maceration period and is vinified in concrete vats. It is then aged in cement vats for 17 months.

Delicate and complex wines with a background of plentiful red fruits. Soft tannins.
